Eric:

With credit to Paul Simon for improving our initial draft, attached is a revised draft response to Sen Marchione ("Marchione response draft_091916.docx"). I'm also attaching the incoming letter from the State Senator to the Administrator ("16-001-1980.Marchione.State Senate of NY.UCMR & PFOA.pdf").

Please advise as to whether you are comfortable with this or would like edits made. Note that Steph has requested this by COB tomorrow.

To avoid confusion, I am going to independently address the response to a separate (but similar) 9/7/16 request from the Commissioners for NY DEC and DOH.

Greg
